

Gain credit to postgraduate education from your Manager Essentials

Pathway into the Graduate Certificate in Business (Public Sector Management)

QUT is delighted to offer an award extension unit which recognises the studies you have undertaken in Manager Essentials through South Australian Leadership Academy and provide a lower-cost advanced standing (credit) to the unit, *Managing and Leading Others* from the Public Sector Management Program (PSMP).

Initially you would undertake the Credential Unit (online) for the Enterprise Leadership Professional Development Module, *Leading Self and Others*. This will then allow you to gain advanced standing for the *Managing Self and Others* unit in PSMP.

Dynamic delivery to suit your employer, your work and your lifestyle

Local

Our courses are delivered nationally in most capital cities and online, with multiple program intakes each year.

Dynamic

A four-unit program spanning 12-15 months. Focused around intensive workshops.

Hands on

You'll undertake a work-based project that delivers real outcomes for your organisation.

Benefits for participants and their employers

Participants will:

- earn a Graduate Certificate in Business (Public Sector Management) in a work-centric manner
- enhance their management skills, improving career opportunities as they move from technical to management roles
- develop confidence to make a difference and build strong professional networks and communities of practice beyond their current work environment.

Employers will:

- gain immediate application of learnings to the workplace (learn today—use tomorrow)
- reap the benefits of managers who can help steer organisations through uncertain and challenging times
- increase workforce flexibility with a common language and understanding of the business of government.
