(1) These figures are likely to under represent the true level of Aboriginal and/or Torres Strait Islander employment due to the difficulties some agencies experience with extracting characteristics of their workforce to this level of detail from their information systems, and the difficulties associated with collecting data which relies on self identification.

(2) These figures do not include Aboriginal and/or Torres Strait Islander employees on leave without pay. At June 2011 there were 122 Aboriginal and/or Torres Strait Islander employees in the SA Public Sector who were on leave without pay.

(3) Includes Executives employed under the PS Act.
