(1) These figures are likely to under represent the true level of Aboriginal and/or Torres Strait Islander employment due to the difficulties some agencies experience with extracting characteristics of their workforce to this level of detail from their information systems, and the difficulties associated with collecting data which relies on self identification.

(2) Includes all executives employed in other public sector organisations.

(3) The Adelaide Convention Centre (ACC) did not supply detailed employee data for June 2008. Where possible, grouped age figures from the ACC Annual Report have been used. The ACC Annual Report contains a breakdown of employees by Age, but Appointment Type was not provided. Therefore all ACC employees have been grouped in the Appointment Type - Other.

(4) Includes Ambulance Service Officers and Fire Fighters.

(5) Includes PSM Act trainees.
