Statement of Commitment

*We commit to collectively
building an inclusive culture
where everyone belongs.*

Inclusive and Diverse Workplaces

- 1** We will work together to create an informed workplace where people with disability are supported to achieve their full potential and where everyone can give their best selves to the service of the community through their work in the SA Public Sector.
- 2** We will actively encourage increased participation of people with disability in our workforce through improved recruitment, retention and career development strategies.
- 3** We will create a positive, safe and inclusive culture for our people where discrimination is not accepted.
- 4** We will increase awareness about issues impacting the employment of people with disability and work collaboratively to remove barriers.
